DEFENDANTS

JOINT STATUS REPORT

Comes now counsel for Plaintiffs and Defendants and for their Joint Status Report state as follows:

1. Discovery in this matter is progressing well. Both parties have exchanged written discovery and documents. Plaintiffs have deposed the following current or former District employees:

- (a) Paul Brewer;
- (b) Dr. Charles McNulty; and
- (c) Linda Remele.

2. The parties are currently scheduling the depositions of the four Plaintiffs.

3. The parties have not had any discovery disputes and do not anticipate any.

4. Following the closure of discovery, the District anticipates filing a Motion for Summary Judgment, and Plaintiffs will vigorously contest the same.

5. As for trial, the District would not anticipate trial to take more than three days, given that all four Plaintiffs have essentially the same claims. However, Plaintiffs' counsel has

indicated trial could take three to five days. The parties will have a better indication of the length of trial after close of discovery.
